Passion & Craft

I am a seasoned designer with extensive experience that ranges from visual, pixel-pushing expertise, to interactive and responsive design using the latest HTML/CSS/JavaScript technologies. My passion lies in crafting immersive and compelling digital experiences which make the web a better place.

EXPERIENCE

Cloud Four, *Front-end Designer*

Feb 2015 - present

Cloud Four is a boutique web development agency focused on building responsive, mobile-first, cutting-edge websites and apps. Cloud Four partners with large organizations to help transition existing websites to modern, responsive sites.

- Adapt fixed-width, structured web experiences to flow responsively regardless of screen size and context.
- Create in-browser prototypes/mockups, pattern libraries, design systems and web apps using technologies such as HTML, CSS, and JavaScript.
- Educate clients about the latest challenges and opportunities of responsive web design. Work with customers to optimize user experiences for the complex device landscape.

Clients: Walmart, Columbia Sportswear
